

Questions and Answers (Set 5)

Solicitation: NNH15519974R

April 1, 2015

1. Question: Will NASA supply a copy of the synopsis of the previously awarded contract (5 years ago) and what the total amount was?

- a. Answer: The previous synopsis is not available. However, the maximum value of the current contract is \$4M.

2. Question: Did it (the previous solicitation for the current contract) include all the programs requested in NNH15519974R (Dassault Falcon 20, Gulfstream G-II & G-III, King Air 200, Learjet Series 30, and Shorts 360)?

- a. Answer: No. The previous solicitation / award was for the following airframes: Gulfstream G-II & G-III, Learjet Series 20, King Air 200, and Twin Otter – DeHavilland DHC-6.

3. Question: In comparison to the previous solicitation for these services, are any of the airframes referenced in question 2 new to the requirement?

- a. Answer: Yes. The following airframes are new to the requirement: Learjet Series 30 and Shorts 360.
